

Practitioner Training and Certification Program

Techniques for Teaching Reading, Writing and Spelling

Module Outcomes

During this module, you will:

- Integrate several of the teaching techniques from this module into your teaching practice
- Reflect on the teaching techniques and how they complement each other, both as you do the assignment and as you watch others present their work
- Experience an activity based on multiple intelligence theory
- Reflect on that experience and what it might mean for learners you work with
- Produce something that might be useful in other areas of your life, for example, as a presentation to other practitioners, funders, learners, public, etc.
